

SOW GRAIN THIS FALL

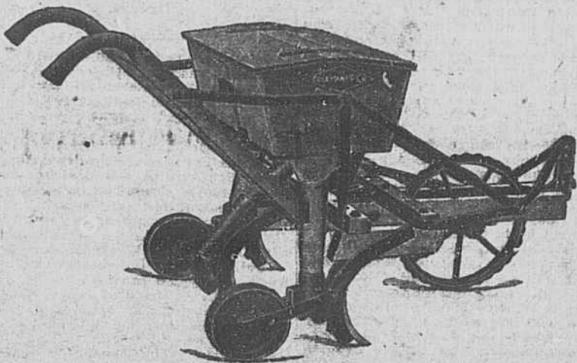

If every farmer in Anderson county would sow five acres in wheat and five acres in oats and plant five acres in corn to the plow the land fairly prepared, and well fertilized and well cultivated, he would have food stuffs for man and beast—enough, and to spare.

When there is plenty of corn there will be hogs and when the expense of buying corn, wheat, oats and meat is cut out, the crop will come very cheap. His cotton crop will be his own. And the farmer will soon be on Easy Street. Sow five acres to the plow of wheat and oats this fall after preparing the land well and fertilizing it well and next spring plant five acres in corn to the plow after preparing the lands well and fertilizing it well and then cultivate it well as most farmers do in this section and the trick will be turned—the balance will follow. Try it this fall.

Sow five acres in wheat and five acres in oats, lands well prepared and well fertilized. You will have the best bread and meat and the best horse-feed in the world. TRY IT!

Saves 7-8 of the labor of planting.

THE COLE ONE-HORSE GRAIN DRILL

If you plant your grain crop right between your cotton or corn rows with a COLE ONE-HORSE GRAIN DRILL, you are far surer of a good stand when winter is over than if you sow broadcast, or with a Western Drill. With one of these machines you can go right between your cotton or corn rows and plant three furrows at a time. No need to wait until the crops are gathered. No need to make seven trips to plow and harrow the land. The soil of your fields is well cultivated in summer and by grain-growing time is well settled, making an ideal seed-bed for grain. Just plant your crop between the rows with a Cole. Save 7-8 of the labor. One man and one horse can easily plant 6 to 8 acres a day. Besides your cotton or corn crop you get a good grain crop and you can follow this with a cow-pea crop in the spring and plant it with the SAME MACHINE.

Sow Grain Between Your Cotton or Corn Rows

The seed are planted in little furrows which protect the grain from the winter winds and cold. No danger of the plants "spewing" up. The seed are planted in a basin where they secure the moisture they need. You can sow three rows at a time with a Cole No. 34. Our other machines sow one and two rows. Fertilizer can be applied at the time of planting, and the machine is splendidly adapted to applying fertilizer to growing crops. Don't accept any of the shoddy imitations offered. See that you get the genuine COLE.

Among the guests for the afternoon were: James L. S. Horton, T. L. Cely, Marshall Orr, Sam Prince, S. F. Parker, Ed Atkins, G. B. Greene, Frank Reed, W. W. Morrison, W. D. McLean; Misses Bertha Cashing, Linda Thompson, Helen and Genevieve Hunter and Susan Arnold of Greenwood and Mrs. Harleston Barton, Mrs. John Anderson and Miss Jessie Brown.

The Co-op Club.

The young ladies of the Telephone Exchange met Thursday night in the rest room of the exchange, and organized themselves into a club to be known as the Co-op club, the meetings to be held twice each month. One meeting each month will be devoted to business and the young ladies will talk over and discuss any plans to improve and better their telephone service. The other evening will be devoted to the social side, and everything possible will be done for the pleasure of the operators. Miss Nancy Gourdelock, under whose direction this club has been organized is very proud of the fact that Anderson exchange is the first in this district to organize. On Thursday evening she made every plan possible to make the meeting a very pleasant one. The pretty rest room was beautifully decorated in yellow daisies, with yellow shades on the lights. In the short business held, Miss Edith Holcombe was elected president, with Miss Pempie Wilson as secretary. The meeting was then converted into a social one and a very delightful one it was. A sweet course in the chosen colors were served. Miss Gourdelock is chief operator of the Anderson exchange, and under her able leadership, the exchange promises to keep up the high standard of excellence of service that they are giving the public.

Merry games were played after which the little girls were invited into the dining room. The table with the birthday cake was the center of attraction, the color scheme of yellow and white being effectively used. Cakes and ice were served. The little hostess received many pretty presents, each little guest wishing her many happy returns of the day.

NO ARRESTS MADE

After Search Over Country Deputies Found to Assault.

Yesterday morning Sheriff Ashley received a telephone message which stated that a white man had attempted criminal assault on negro girl three miles east of the city. Deputies Sanders and Williams started for the scene about 11 o'clock and returned to the city late yesterday afternoon. They reported that the girl was about six years old and she said that her assailant was a very light color.

The officers learned from citizens of the neighborhood that a very bright mutt had been seen looting in that section. After a search of several hours the cub returned home. That entire section of the country was searched but they could not get trace of the assailant.

Newspaper Man Recommends It.

R. R. Wentworth of the St. James, (Mo.) News, writes: "Two months ago I took a severe cold which settled in my lungs and I had such pains in my lungs I feared pneumonia. None Equal to Chamberlain's.
"I have tried most all of the cough cures and find that there is none that equal Chamberlain's Cough Remedy. It has never failed to give me prompt relief," writes W. V. Harner, Montpelier, Ind. When you have a cold give this remedy a trial and see for yourself what a splendid medicine it is. For sale by all dealers.

His Misfortune.
A horse dealer sold a horse to a farmer, assuring him it was a beauty, without a single fault. The farmer met the dealer some time after and said: "I consider you fairly swindled me with the horse you sold me, and I must have compensation."
"Oh," said the dealer, "what's the matter with him? He is just what I said he was, ain't he?"
"No," said the farmer, "you said he was without a single fault, and the horse is stone deaf."
"Well," said the horseman, "that isn't his fault—that's his misfortune."—Weekly Telegraph.

His Rest Was Broken.
O. D. Wright, Rosemont, Neb., writes: "For about six months I was bothered with shooting and continual pains in the region of my kidneys. My rest was broken nearly every night by frequent action of my kidneys. I was advised by my doctor to try Foley's Kidney Pills and one 50 cent bottle made a well man of me. I can always recommend Foley's Kidney Pills for I know they are good. This splendid remedy for backache, rheumatism, sore muscles and swollen joints contains no habit forming drugs. Sold everywhere."

"It isn't what a man owes but what he pays that foils him."

Biliousness and Constipation.
It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." For sale by all dealers.
